## About me

My name is Emanuel Pontoni, I am 31 years old, and I live in Bell Ville, Córdoba, Argentina. I am a versatile professional with a background in education and web development, combining 8 years of experience as a mathematics teacher with growing expertise in technologies such as HTML, CSS, JavaScript, Python, React, Next.js, Node.js, Nest.js, SQL, MongoDB, and Tailwind. I excel in integrating technology and education, promoting the learning and development of both technical and soft skills in my students.

## Work Experience
